Agenda Paper

Report to Council

Item 8. To **RECEIVE** The Clerks Report.

The Clerk has written to the Chairman of the Parish Council tendering his resignation effective from 31st May. A copy of the Clerks' letter is attached as Item 8a.

In view of the potential changes to the Clerk's role when Council confirms its plans for the transfer of the Community Hall to a Charitable Trust, it has been suggested that the appointment of a clerk under the current contractual arrangements would not be expedient. Therefore, acting on instructions from the Chair, the Clerk has approached SALC / Opus, who have arranged for a locum Clerk to fulfil the role in the interim. The cost for this service is set at £24.68 per hour plus mileage at 45p per mile.

Mr Mark Knight will be in attendance as Clerk for the foreseeable Council meetings.
