Thank you for choosing our company to provide the services you recently requested at the site address detailed above.

We have now completed the works and attach a copy of the schedule detailing each item completed.
We trust our services were delivered to the standards you had anticipated.

I would like to take this final opportunity to thank you for using our services and we look forward to being of service to you in the future.

Site Address Coddenham PC, Public Areas, Coddenham, Suffolk, IP6 9QA

Item No	Item	Description Of Work	Value
1	Common lime at three cocked hat	Reduce upper canopy not previously reduced by approx 2m and previously pruned branches to be reduced by approx 1m to reduce lever arm forces and potential for failures. Remove all arisings from site. Works to be carried out under three way traffic light management / temporary 15min road closures which is included in the quotation.	£2,400.00
2	Common lime at three cocked hat	Prune to clear highway to a height of 5.5m Reduce the 4 highest limbs over the highway by approx 2m to reduce lever arm force and potential for failure. Remove all arisings from site. Works to be carried out under three way traffic light management / temporary 15min road closures which is included in the quotation.	
3	Common lime at three cocked hat	Prune to clear highway to a height of 5.5m Reduce the 4 highest limbs over the highway by approx 1.5m to manage fresh extension growth and reduce lever arm force and potential for failure. Remove all arisings from site. Works to be carried out under three way traffic light management / temporary 15min road closures which is included in the quotation.	

Item No	Item	Description Of Work	Value
T4	Common lime at three cocked hat	Prune to clear highway to a height of 5.5m Reduce the 2 highest limbs over the highway by approx 1.5m to manage fresh extension growth and reduce lever arm force and potential for failure. Remove all arisings from site. Works to be carried out under three way traffic light management / temporary 15min road closures which is included in the quotation. Fully test the base of the tree using sonic tomography to determine the extent of decay within the stem near ground level.	
T6	Oak at mill hill	Sever ivy at the base and remove deadwood over 30mm in diameter targeting the bench.	£200.00
T7	Oak at broom hill	Perform a climbing inspection to assess the significance of the cavity and report on findings.	£200.00

Total Value: £2,800.00
Vat(20%): £560.00
Total Inc Vat: £3,360.00
